Good morning George, I hope this email found your well. I'm very disappointed George, the homeless are back in the same spot on Madison Ave, they had been screaming day and night, just last night we were not able to sleep, they were screaming all night long. It's very unfair that we the ones who work, pay taxes, have to put up with them, our homeless population is to much, and the worst part is that they don't want to rehabilitate at all, is basically a waste of time and money with so many things that the city is trying to do with them. I will appreciate if you can do something about this delicate matter. Sincerely, Priv

Hi Priv,

Can you please send me a photo of the encampment, so that I can begin the process?

Thanks in advance

Unfortunately George, I'm at work right now, I will be getting home around 8:30pm, I can do it tomorrow. They are so loud at day and specially at night, you can clearly hear their entire conversations (is very nasty what they talk) the area is super dirty again!
